## ACTIVITY - HIGH!

Fortunately, J-KLUBBEN's members are busy. Three great events are already, not just planned, but completely ready. The only thing missing is (more) registrations. Read about the events in this newsletter.

Several newly renovated boats are on their way in Denmark. The level of activity in Germany and the Netherlands is higher than for a long time.

Membership fee.**

## CALENDAR

### Summer 2023

- 26.-29. May.: Max Oertz Regatta
- 24.-26. jun.: Summer tour, Julsø
- 16.-17. sept.: Ry Open, Horsens

## MAX OERTZ REGATTA MAY 26.-29.

*Lars Kristensen, J397/J408*

This year marks the 20th anniversary of the traditional Max Oertz Regatta in Neustadt. There are currently 4 junior boats registered, 2 Danish and 2 German boats. There is room for more participants.

Max Oertz was a German constructor who worked in the late 19th and early 20th centuries. Known for beautiful and harmonious boats. This is the perfect match for a junior boat. Besides the sailings, there are several other good reasons to come. Nice and well-maintained wooden boats is one.

But not least the traditional Regatta dinner with ham and white asparagus in such abundant quantities that this signature has never been seen before.

If you want a more detailed and personal account, you are welcome to call board member Torben Pedersen.

If you do not have the opportunity to participate with your own boat, but would like to experience the atmosphere, write to [info@kdyjunior.dk](mailto:info@kdyjunior.dk) and we will see if we can arrange a guest spot.

## SUMMER TOUR 2023, JULSØ (Silkeborg, DK)

*Peter Fisker Nielsen, J410*

**SATURDAY JUNE 24.:** We meet at Silkeborg Sailing Club for launching and own packed lunches at 10 - 12.

After this, we sail the trip from the sailing club in Brassø, through Sejsnævringen, through Borresø, through Svejbæksnævringen and halfway through Julsø to our destination at the summer house (Møgeløvej 7). I myself sail in our Beneteau 630, so those who are not in a junior boat can come aboard with me, this applies all days. The evening meal will be in- and outside the summer house.

**SUNDAY JUNE 25.:** Breakfast from the fridge.

After this we sail around Møgelø and on to Ry through the narrows here. In Ry we will have lunch on the quay, lunch will be delivered from Ry.

A few hours in Ry and the trip goes back to the summer house.

Dinner has been ordered, so the preparation should be minimal.

### J-CLUB MEDIA

*Lars Kristensen, J397/J408*

With help from Thomas Kjeldsen the Danish webpage was upgraded. The content is still lacking update – this will be a board task.

The J-CLUB Facebook group is continuously gaining new members, we are currently up to 215. We of course hope that new members one day will become junior boat sailors (again). Do not hesitate to contact the board directly if you have questions or need help.

And then a last little teaser for the summer trip! Here is the view from the summer house Peter Fisker has arranged as the setting for the trip. Then it doesn't get much better!

**REMEMBER registration no later than MAY 31.**

**Please also note that this year Ry Open, KM and General Assembly are one weekend earlier than usual.**
