Newsletter for J-KLUBBEN Nr. 2 June 2022 / 50th volume

## A HARD START

J-KLUBBEN is a traditional club. That's why we do not take fashion and new trends to heart, just like that! Otherwise we would not still sail junior.

Unfortunately, it may therefore also have been difficult to switch to email invoicing instead of giro cards.

We have not yet given up, and hope that more people will pay dues over the summer and keep their membership. Account information at the end of the newsletter.

## JOINT TOUR 2022 – HORSENS FJORD

For various reasons, the trip in Isefjord was not completed in June. One of them, the organizer's boat was not ready due to a defective rudder.

We have a more than adequate replacement scheduled. As a prelude to KM in Horsens in September, we have arranged a joint trip from Juelsminde over Snaptun to Horsens

- Thursday 22 September: Launch Juelsminde
- Thursday 22 September: Dinner and overnight at Hotel Juelsminde.
- IMPORTANT: Registration for hotel and dinner latest August 15 to [info@kdyjunior.dk](mailto:info@kdyjunior.dk). Total price ONLY DK 500 per. person**
- Friday 23 September morning: Sailing to Snaptun
- Friday 23 Sept.: Lunch at Snaptun
- Friday 23 September afternoon: Sailing to Horsens
- Friday 23 September evening: The grill is lit in Mungo, Horsens
- Special registration/NOR for KM / Ry Open. Will be published later.

## JOINT TOUR 2023 – BACK ON JULSØ

Lars Kristensen

Silkeborgsøerne is one of the Junior boats' home courses. In 2023, Peter Fisker has arranged for the J-club to go on a trip to Julsø.

### Where: Holiday home / tent

Peter has provided a holiday home which is fantastically beautiful by Laven, right on the waterfront of Julsø.

### When: 24/6 to 26/6

We meet Friday 24/6. Launch from Silkeborg. Sunday 26/6 admission again in Silkeborg.

### Program

Look forward to a trip in the most beautiful surroundings. On Friday we sail to the cottage and camp. On Saturday we sail to Ry and return. We return to Silkeborg Sunday. Details in a later newsletter. As if that were not enough.

### Bonus-program:

The traditional Riverboat jazz festival takes place in Silkeborg from 21-25 June. Enjoy summer jazz if you choose to come before 24/6.

## WHY JUNIOR BOAT

*Lars Kristensen*

It is beautiful! Just look at the profile here on the left. Great classic lines. It can be trailed, it can be sailed and it can be praised. I originally bought my junior boat, i.a. for the purpose of trailing, sailing but also rowing it through the Göta Canal. Especially the canal itself between Sjøtorp and Tåtorp should be rowing. On a bike ride along the canal, several years ago, I saw two young people rowing a Wayfarer through the canal. An idea was born. For me, the Junior boat is also the basis for dreaming - big and small. So far, it is still dreamsue - but they are also good to have!

## TODAY'S DETAIL - GUESS A PHOTO, BUILD A BOAT

**NEXT TIME: MAINSAIL SHEET**

*Verner Jensen*

What does this picture show? It could well look like something that maybe should have been thrown out completely. But it is not! It is valuable material. This is the mold for the J-boat. All existing fiberglass boats are cast in this mold.

So if you dream of building a brand new Junior boat, then it is still possible. The mold is there. Then it's just the rest...
